ASAD NAWAZ

React Intern at Sass

asad786786786nawaz@gmail.com • asad-nawaz-509747248 • Lahore

Summary

I'm a web developer with a strong focus on front-end technologies, especially React and JavaScript. Currently studying Computer Science, I've gained solid experience building responsive, user-friendly web applications and working with APIs. I'm skilled at managing state, handling complex data, and writing clean, efficient code. I'm always looking to learn and improve, keeping up with the latest trends in web development. I'm excited to bring my skills and passion for coding to create meaningful digital solutions..

Key Achievements

Enhanced Load Times
Built a React component that improved load times by 30% for a portal.

Optimized Page Load
Contributed to reducing page load time by 1 second on average using optimized code.

Bug-Free Release
Completed a React project with 0 critical bugs upon release.

Boosted User Engagement
Increased website user engagement by 25% through improved UX design.

Full Stack Web Development Udemy

Projects

Mindify
09/2022 - 10/2022

It was a course-selling website, and I transformed the Figma design into a pixel-perfect site.

Every Day Super Heroes Academy
11/2022 - 02/2023

I developed this website on Wix during my first front-end job. It was a platform dedicated to selling courses focused on mental health.

Empower Solana
06/2023 - 08/2023

I have redesigned this website on Thinkific. This company assists local businesses in their growth by providing valuable consultations.

School mentor
06/2024 - Present

During my internship at Sass, I've been working on this project. It is a portal for schools to upload date sheets, exams, etc. I have created multiple new components in react and also integrated REST API using axios and Redux

Expenzo
10/2024 - Present

I have created a website using Bootstrap and I am also creating an app in React Native. The main purpose of this project is to track your daily expenses by various factors.

Volunteering

Pakistan Citizens Alliance (PCA)

Volunteer Trainer and Community Development Associate
02/2024 - 06/2024

Completed 20 hours of classes as part of an 80-hour training program.
•Completed 20 hours of community fieldwork and outreach.
•Participated in 20 hours of tree planting for environmental initiatives.
•Contributed 20 hours to road clean-up and public space improvements.
